Sir:

I have been requested to prepare a statement of the production of the Precious Metals in Dakota during 1888; & I was directed to "write to each of the Mints" and assay offices to forward ^(me) you a statement of the "Standard ounces of gold & silver contained in deposits at the respective institutions of Dakota bullion: to forward ^(me) you such statement as soon after the close of the present calendar year as it can be completed, the figures to agree with those forwarded to Washington", - saying that I did so "by authority of the Director".

Would you have the goodness to forward to me such a statement as soon as possible after the close of the present calendar year?

Very respectfully
